NEW ARTICLE – "DOES JUDE CONDEMN GAYS?" - by Rick Brentlinger

"Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." Jude 1:7

Excerpt:

"Many anti-gay Christians use selected verses in Jude to condemn gays and lesbians. They assert (falsely) that Jude 1:7 is a negative reference which condemns homosexuality. The fact that scripture uses the Greek word, *heteros*, from which we get our English word, heterosexual, and not the Greek word, *homoios*, from which we get our English word, homosexual, indicates that the point at issue with God is not homosexuality. The sin that Jude condemns is humans having sex with angels."

This is a fascinating study by the author of **Gay Christian 101**. Rick has graciously allowed me to post it on the website. I know you'll enjoy reading it.

GAY NEWS – ARCHBISHOP OF CANTERBURY UNDER PRESSURE RE UGANDAN ANTI-GAY BILL

Excerpt:

Global opposition is growing to the "Anti-Homosexuality Bill" recently proposed in Uganda, which would introduce the death penalty for certain homosexual activity between consenting adults.

An increasing number of Christian organisations are condemning the Bill but the

Archbishop of Canterbury, Rowan Williams, is facing criticism for not speaking out on the issue.

FROM OUR TIDBITS PAGE

"If the purpose of heterosexuality is the continuation of the gene pool, then the purpose of homosexuality is to make sure it is Olympic-sized with nice tile and plenty of lanes, and with nice terry cloth towels for everyone."

~ Bo Young

"Although the title page of The King James Bible boasted that it was "newly translated out of the original tongues," the work was actually a revision of The Bishop's Bible of 1568, which was a revision of The Great Bible of 1539, which was itself based on three previous English translations from the early 1500s. So, the men who produced the King James Bible not only inherited some of the errors made by previous English translators, but invented some of their own."

~ Skip Church
